If you're tellin' me you want me  
Hold me close all through the night  
I know deep inside you need me  
No one else can make it right

Don't you try to hide the secrets  
I can see it ifn your eyes  
You said the words without speaking  
And i'm gonna make you mine

Chorus:  
Give me just one night, una noche  
A moment to be by your side  
Give me just one night, una noche  
I'll give you the time of your life

The time of your life  
Oh  
Give you the time of your life  
Oh baby yeah

Love and passion make me crazy  
Your existence makes me wild  
Wanna loosen up your feelings  
To see what's hiding inside

Chorus

The time of your life  
Oh oh yeah  
Oh baby

Ay, que rico  
Oh, how good  
Me pone loca  
You make me crazy  
Como te mueve  
How you move  
Como me toca  
How you touch me  
Tu movimiento  
Your movement

Tu sentimiento  
Your feeling  
Si, yo te quiero  
Yes, i love you  
Te doy la noche  
I'll give you the night  
Toda la noche  
All night long  
Ay, vamos  
Let's go

Give me just one night, just one night baby  
A moment to be by your side  
Give me just one night, just one night oh baby  
I'll give you the time of your life  
(give you the time of your life)  
Give me just one night

Give me just one night, una noche  
A moment to be by your side  
(a moment to be by your side)  
Give me just one night, una noche, oh yeah  
I'll give you the time of your life

Give me just one night, una noche  
A moment to be by your side  
(a moment to be by your side)  
Give me just one night, una noche  
I'll give you the time of your life  
(give you the time of your life)  
The time of your life  
Oh yeah
