

98 Degrees "Heat It Up"

Visit "[Heat It Up](#)" on MotoLyrics.com

Baby, let me love you to the 98th degree, girl
And heat it up
(I'm down)
Girl, let's heat it up
(I'm down)
I can give you all my lovin'

If you're only down for me, girl
Let's heat it up
(I'm down)
Come on, heat it up
(I'm down, boy)

Late at night I fantasize, girl
That you and I, yo, you were rockin' my world
I can't deny the way I'm feeling
Think about you, girl, again and again, yeah
Whenever I'm with you, my fantasies come true
So tell me what you wanna do

Just hold me close, don't let me go
Baby, show me how the 98 will flow
I wanna know how it can be with 98 Degrees
You gotta know I'm down for you
Baby, show me what the 98 can do
Boy, lead the way to ecstasy

But only if you're down for me

Baby, let me love you to the 98th degree, girl
And heat it up
(I'm down)
Girl, let's heat it up
(I'm down)
I can give you all my lovin'

If you're only down for me, girl
Let's heat it up
(I'm down)
Come on, heat it up
(I'm down, boy)

This urgency of what I'm feeling
Is killing me, when will this lovin' begin
I wanna be the one you run to
Girl, you know there's nothing I wouldn't do
The very thought of you is like a dream come true
So tell me what you wanna do, yeah

Just hold me close, don't let me go
Baby, show me how the 98 will flow
I wanna know how it can be with 98 Degrees
You gotta know I'm down for you
Baby, show me what the 98 can do
Boy, lead the way to ecstasy

Baby, come get down with me

Baby, let me love you to the 98th degree, girl
And heat it up
(I'm down)
Girl, let's heat it up
(I'm down)
I can give you all my lovin'

If you're only down for me, girl
Let's heat it up
(I'm down)
Come on, heat it up
(I'm down, boy)

Heat it up just a touch
Are you down for my love
Heat it up just a touch
Are you down for my love
Heat it up just a touch
Are you down for my love
Heat it up
Only if you're down

Baby, let me love you to the 98th degree, girl
And heat it up
(I'm down)
Girl, let's heat it up
(I'm down)
I can give you all my lovin'

If you're only down for me, girl
Let's heat it up
(I'm down)
Come on, heat it up
(I'm down, boy)
