I hope the man upstairs  
isn't mad at me  
Because I have one of his angels  
And she's here with me  
When I see her precious smile  
And she spreads her wings  
It takes me to a place where love  
Meets eternity

Oh no  
I'm not letting go  
I don't want to be alone  
In this crazy world  
Oh Lord  
How I love her so  
And I'll sacrifice it all to have her  
In my life

I found my girl  
I'll tell the world  
That haven is missing an angel  
My dreams came true  
When I found you  
Yes heaven is missing an angel

Not a day goes by

That I don't thank God for you  
He blessed me with my angel  
Though I don't deserve you  
Until I found you girl  
Lonely was my best friend  
Now that you are in my life  
I am stronger within

I can't wait to kiss my angel  
Late at night  
And watch her go to sleep  
Until I see her rise

*[Chorus]*

All that I do is for you  
Me without you girl just won't do  
Oh no  
Your love's all I want to know  
Angel don't you ever go  
Life won't be the same without you

*[Chorus]*
