If every day could be Christmas
What a wonderful world this would be
We could carry this feeling within us
All through the year (All through the year)
If every day could be Christmas

Christmas lights up the city
Rooftops covered in snow
Lovers sharing a sleigh ride cuddle close
and their eyes seem to glow

Window shopping on Main Street
Bundled up head to toe
Children ice skating 'round the Christmas tree

I see smiles young and old

[Chorus]

Church bells ring in the distance
Peace on earth fills the air
Side-walk Santa's handing out candy canes
I feel love (I feel love) everywhere (everywhere)

[Chorus]

It's the time
We open up and give from our hearts
Let it all shine (brighter)
Than any star

[Chorus]
