Oh, oh, oh, yeah

You can hardly wait to tell all your friends
How his kisses taste sweet like wine
And how he always makes your heart skip a beat
Every time he walks by

And if you're feeling down
He'll pick you up
He'll hold you close when you're making love
He's everything you been dreaming of, oh baby

I wish you'd look at me that way
Your beautiful eyes looking deep into mine
Telling me more than any words could say
But you don't even know I'm alive
Baby, to you all I am is the invisible man
Oh, you don't see me baby

You probably spend hours on the phone
Talking 'bout nothing at all
It doesn't matter what the conversation
Just as long as he calls

Lost in a love so real and so sincere
And you'll wipe away other's tears
Your face lights up whenever he appears

I wish you'd look at me that way
Your beautiful eyes looking deep into mine
Telling me more than any words could say
But you don't even know I'm alive
Baby, to you all I am is the invisible man
Oh, you don't see me baby

I see you all the time baby
Huh, the way you look at him
I wish it was me, sweetheart
Boy, I wish it was me but I guess

I wish you'd look at me that way
Your beautiful eyes looking deep into mine

Telling me more than any words could say
But you don't even know I'm alive
Baby, to you all I am is the invisible man

I wish you'd look at me that way
Your beautiful eyes looking deep into mine
Telling me more than any words could say
But you don't even know I'm alive
Baby, to you all I am is the invisible man

Oh, oh, oh, oh baby
The invisible man
You don't see me girl
But I love you, yes, I love you
The invisible man

Oh, oh, oh, yeah, yeah
The invisible man
Baby, baby, baby, yeah
The invisible man
