Whoa who do you believe, whoa do not be deceived

Showered in adulation and praise  
The hero of the day  
He'll be the one to answer your prayers  
As long as he gets paid

The hero is never quite what he seems  
He'll rip you right under your nose  
He'll be whatever you want him to be  
As long as his bank account grows

Whoa who do you believe, whoa do not be deceive

The blind devotion to second-hand gods  
When will it all stop  
When a cold blooded killer finally appears  
On a Wheaties box

The hero is never quite what he seems  
He'll rip you right under your nose  
He'll be whatever you want him to be  
As long as his bank account grows  
The hero will tell you what you want to hear  
He'll ease your trouble mind  
A keen opportunist a slick profiteer  
He counts on you being blind

Media blitz off and running  
It got this fucker billed as the second coming  
Hero of the day man of the hour  
Send cash in lieu of flowers

Would you like to meet the man of the hour  
This is your hero of the day [2x]

Hero of the day

Whoa hero for the day, whoa hero of the...  
Hero for the day
