Tell me what's been goin' on
How did our love go so wrong?
'Cause I know that I made some mistakes

Oh baby, and girl, it's written on your face
That you wanna walk away
And you say that your feeling's have changed, oh yeah

I know you still need me
I can see it in your eyes
You're afraid of your feeling's
But, girl, you can't deny

You know that I tried a thousand times
To win your love but it's never enough
It's been my dream for you and me
And, girl, can't you see
That I'm not givin' up?
I'm never givin' up

All I need is one more chance
Don't give up on this romance
I'm the one that's got just what it takes

So don't go wastin' all your time
A love like this is hard to find
I'm right here and I swear I'll be waitin'

And deep down you're hurtin'
I can see it in your eyes
I know you still want me
But you have to realize

You know that I tried a thousand times
To win your love but it's never enough
It's been my dream for you and me
And, girl, can't you see
That I'm not givin' up?
I'm never givin' up

You know that I tried a thousand times
To win your love but it's never enough

It's been my dream for you and me
And, girl, can't you see
That I'm not givin' up?
I'm never givin' up

You know that I tried a thousand times
To win your love but it's never enough
It's been my dream for you and me
And, girl, can't you see
That I'm not givin' up?
I'm never givin' up

You know I tried for so long just to win your love
You should know by now, never be denied
Baby, you and me
Baby, can't you see, yeah
That I'm not givin' up?
I'm never givin' up
