its all.....

Your my sunshine after the rain  
your the cure against my fear and my pain  
'cause im losing my mind when your not around  
its all...its all because of you

your my sunshine...o yea

baby I, really know by now  
since we met that day  
you showed me the way  
i felt it then  
you gave me love  
i can't discribe  
how much i feel for you.  
i said baby I, should have known by now  
should have been right there whenever you gave me  
love  
and if only you were here  
i'd tell you  
yes, i'd tell you

chourus:

your my sunshine after the rain  
your the cure against my fear and my pain  
'cause im losing my mind when your not around  
its all....its all because of you

oh, oh yea, yea

honestly,  
couldn't be with me  
like it was before  
neither less or more  
because when i close my eyes at night I realized that  
no one else  
could ever take your place  
I still can feel  
and its soo real  
when your touching me  
kisses endlessly

its just a place in the sun  
where our loves began  
i miss you  
yes i miss you

Chours

if i knew how to tell you  
whats on my mind  
(make you understand)  
then i'd always be there,  
right by your side

Chours (5x)

your my sunshine
