

## 98 Degrees "Thank God I Found You"

Visit "[Thank God I Found You](#)" on MotoLyrics.com

Ooo ohh

I would give up everything  
Before I'd separate  
Myself from you  
After so much suffering  
I finally found unvarnished truth  
I was all by myself  
For the longest time  
So cold inside  
And the hurt from the heartache  
Would not subside  
I felt like dying  
Until you saved my life

CHORUS

Thank God I found you  
I was lost without you  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight  
Completed my whole life  
I'm overwhelmed with gratitude  
My baby I'm so thankful  
I found you  
Oh yeah oh yeah

I will give you everything(everything)  
There's nothing in this world  
I wouldn't do(oh no)  
To insure your happiness  
I cherish every part of you  
'Cause without you beside me  
I can't survive  
Don't want to try(i wanna try)  
If you're keepin me warm  
Each and every night  
I'll be alright  
'cause I need you in my life

Chorus

Thank God I found you(i thanken you)

I was lost without you  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight(sunlight)  
Completed my whole life  
I'm overwhelmed with gratitude  
My baby I'm so thankful  
I found you  
(ohh)

See I was so desolate  
Before you came to me  
Looking back i guess  
It shows that we were  
Destined to shine  
After the rain, to appreciate  
The gift of what we have  
And I'd go through it all over again  
To be able to feel this way

Chorus  
Thank God I found you  
I was lost without you  
My every wish and every dream  
Somehow became reality  
When you brought the sunlight  
Completed my whole life  
I'm overwhelmed with gratitude  
My baby I'm so thankful  
I found you  
(you you you you)
