Baby, baby, to me you're everything  
It's just the love and joy that you bring  
No one can take the place I've given you, oh, oh  
Girl, you're like an angel in disguise  
You are the dream that never will die  
'Cause, baby, to me you're everything, oh, oh, girl  
You're my everything, oh yeah

I've been thinking 'bout you lately  
(Show me, show me love)  
And it just troubles my mind  
(Got my mind on you)  
'Cause the things you said, right before you walked  
away  
It brought so much pain

Girl, I've been walking in these four walls  
(Thinkin' 'bout your love)  
Trying to find my way out  
(Trying to find a way)  
I've got a picture of you deep inside my heart  
And you know

Baby, baby, to me you're everything  
It's just the love and joy that you bring  
No one can take the place I've given you, oh, oh  
Girl, you're like an angel in disguise  
You are the dream that never will die  
'Cause, baby, to me you're everything  
You're my everything, oh yeah

There is nothing like the real thing  
(Show me, show me love)  
And girl, I'll always be true  
(Always true to you)  
I've got no time to waste  
I know there is no better place than right here with you

And yeah, you've got that thing  
And I want it  
(And I want it)  
And I know it by now

There's nothing I ain't gonna do to you, babe

Baby, baby, to me you're everything  
It's just the love and joy that you bring  
No one can take the place I've given you, oh, oh  
Girl, you're like an angel in disguise  
You are the dream that never will die  
'Cause, baby, to me you're everything  
You're my everything, oh yeah

Baby, baby, to me you're everything  
It's just the love and joy that you bring  
No one can take the place I've given you, oh, oh  
Girl, you're like an angel in disguise  
You are the dream that never will die  
'Cause, baby, to me you're everything, oh, oh

Baby, baby, to me you're everything  
It's just the love and joy that you bring  
No one can take the place I've given you, oh, oh  
Girl, you're like an angel in disguise  
You are the dream that never will die  
'Cause, baby, to me you're everything  
You're my everything, oh yeah, baby
