Baby, I knew at once
That you were meant for me
Deep in my soul I know
That I'm your destiny
Though you're unsure
Why fight the tide
Don't think so much
Let your heart decide
Baby, I see your future
And it's tied to mine
I look in your eyes
And see you searching for a sign
But you'll never fall
'Til you let go
Don't be scared
Of what you don't know

True to your heart
You must be true to your heart
That's when the heavens will part
And baby, shower you with my love
Open your eyes
Your heart can tell you no lies
And when you're true to your heart
I know it's gonna lead you straight to me
(Got to be true to your heart)
