Something I didn't say
Something I didn't say

Spending another night alone
Wondering when I'm gonna ever see you again
Thinking what I would give to get you back, baby

I should have told you how I felt then
Instead I kept it to myself, yeah
I let my love go unexpressed
'Til it was too late, you walked away

Was it something I didn't say
When I didn't say, "I love you"
Was it words that you never heard
All those words I should have told you
All those times, all those nights when I had the chance
to

Was it something I didn't say
(Something I didn't say)
Was it something I didn't say
(Something I didn't say)

Always assumed that you'd be there
Couldn't foresee the day you'd ever be leaving me
How could I let my world slip through my hands, baby

I took for granted that you knew, yeah
Oh love, the love I had for you, yeah
I guess you never had a clue
'Til it was too late, you walked away

Was it something I didn't say
(Didn't say)
When I didn't say, "I love you"
(Say, "I love you")

Was it words that you never heard
(Never heard)
All those words I should have told you
(I should have told you)

All those times, all those nights when I had the chance
to

Was it something I didn't say
(Something I didn't say)
(I didn't say, baby, I didn't say, baby)
Was it something I didn't say
(Something I didn't say)

All the words were in my heart
Oh, they went unspoken
Baby, now my silent heart is a heart that's broken

I shoulda said so many things
(I shoulda said so many things)
Shoulda let you know you're the one I needed near me
But I never let you hear me, was it something

Was it something I didn't say
When I didn't say, "I love you"
(I didn't say, "I love you")
Was it words that you never heard
(Never heard)

All those words I should have told you
All those times, all those nights when I had the chance
to
(All those times, all those nights)
All those times, all those nights when I had the chance
to

Was it something I didn't say
(Something I didn't say)
Was it something I didn't say
(Something I didn't say)
(I didn't say, baby, I didn't say, babe)

Something I didn't say
(I'm so sorry girl, so sorry)
Something I didn't say
(I'm so sorry girl, so sorry)
Something I didn't say
