Why...ooohh
Ooh tell me why ooh yea

We do almost everything that lovers do
And that's why it's hard just to be
friends with you
Every time your heart is broken by the fool
I want you to know that it hurts me, too
It's hard to wipe your tears away (tears away)
Knowing that you should be with me
Now tell me why

Chorus:
Why are we still friends
When everything says
We should be more than we are
And tell me why
Every time I find someone that I love
We always end up just being friends (just being
friends)

And I would hate for you to find somebody new
Who you really loved 'cause it would mean losing you
But am I a fool girl not to say (say)
(Ooohhh) If I'm always scared, I'll lose
you anyway
Somehow some way I've got to choose (ooh got
to choose)
No matter if it's win or lose, (lose)
Now tell me why

Chorus

Bridge:
I don't wanna be like your brother
I don't wanna be your best friend
I only wanna be your lover
When will this end
If I told you that I wanna be in your life
Then you could be the woman in mine
Now tell me why

Chorus (2x)
