I hate the world today
Your so good to me I know but, I can't change
Try to tell you but, you look at me like maybe
Im an angel underneath, listen and swing
Yesterday I cried, must have been relieved to see this
other side
I can't understand why you are so confused
I don't envy you , Im a little bit of everything
Over into one
Chorus
Im a bitch
Im a lover
Im a child
Im a mother
Im a sinner
Im a saint
I do not feel the shame
Im your heaven
Im your dream
Im nothing in between
I wouldn't want it any other way
So take me as I am
This may mean you'll have to, be a stronger man
Rest assured that when I start to get you nervous
And Im going to extremes
Tomorrow I will change and today wont mean a thing
Chorus
Im a bitch
Im a lover
Im a child
Im a mother
Im a sinner
Im a saint
I do not feel the shame
Im your hell
Im your dream
Im nothing in between
You wouldn't want it any other way
Cause when you think
Youve got me figured out
The seasons are already changing

Think it's cool
You do whatchya do
And don't try to change me
Im a bitch
Im a tease
Im a goddess on my knees
When your hurt when you suffer Im an angel
undercover
Im a nut
Im revived
You can see Im not alive
I wouldn't want this any other way
