Sometimes I wonder
If you even know
That I'm starin' at you
Or if you even care
Sometimes I think
I'll just go somewhere
Could be anywhere
Cause my heart
Can't take the pain
Of another day
In this cold, cold rain

Sometimes I reach out
To touch you
Feel you turn away
Somethin' I've done
Must have hurt you
But you never say
What made your
Sweet love change
In this cold, cold rain

And I'm drowin' in
Tears that I've cried
And I'm chokin' on
Feelin's inside
Oh, my heart
Can't take the pain
Of another day
In the cold, cold rain

(Instrumental)

One day and it won't be long
You'll leave me standin' here
Wavin' goodbye to our love
Watchin' it disappear
Just like a slow movin' train
In the cold, cold rain

And I'm drowin' in
Tears that I've cried

And I'm chokin' on
Feelin's inside
Oh, my heart
Can't take the pain
Of another day
In this cold, cold rain

Cold cold rain... [fade]
