Funny how you look at my hi-fi

Touch my hi-fi

Like to listen to my hi-fi

Now I'm gone

Do you really want just another hi-fi,

Or do you want mine?

Do you really want just another hi-fi,

Or do you want mine?

You took a taxi and I paid your fare

The meter's still running

The meter's still running

You took a taxi and I paid your fare

The meter's still running

The meter's still running

Funny how you look at my hi-fi

Touch my hi-fi

Like to listen to my hi-fi

Now I'm gone

Silly you misused my hi-fi

Dissed my hi-fi

Changed tune on my hi-fi

Now I'm gone

Funny how you look at my hi-fi

Touch my hi-fi

Like to listen to my hi-fi

Now I'm gone

What if I turned down my hi-fi

Paused my hi-fi

Swapped discs on my hi-fi

Still you're gone

Talk's dirty to me baby

Treat me clean

Talk's dirty to me baby

Treat me clean

Funny how you look at my hi-fi
Touch my hi-fi
Like to listen to my hi-fi
Now I'm gone

Silly you misused my hi-fi
Dissed my hi-fi
Changed tune on my hi-fi
Now I'm gone

Funny how you look at my hi-fi
Touch my hi-fi
Like to listen to my hi-fi
Now I'm gone

What if I turned down my hi-fi
Paused my hi-fi
Swapped discs on my hi-fi
Still you're gone

Put the hi-fi down!
Move away from the hi-fi!
