Outdoors
Outdoors
Action starves the cold
It's where I've made my bed

Outdoors
Outdoors
Action starves the cold
It's where I've made my bed

Indoors
Indoors
Sleep easy
So hibernate me
Sleep easy
So hibernate me
Sleep easy
So hibernate

I I watch the sky traffic
I play my super-group fantasy
I paint white the stains on the floor
Waiting for the world to come to me

I've sprung, cleaned my head
Space internal - my diamond
Spend all desire in one direction
Building up the odds
to indoors

Outdoors
Outdoors
Forced the forging
Fight this city not to leave

Outdoors
Outdoors
Forced the forging
Fight this city not to leave

Indoors

Indoors
Sleep only
Belongs to me
Sleep only
Belongs to me
Sleep only
Belongs to me

I I watch the sky traffic
I play my super-group fantasy
I paint white the stains on the floor
Waiting for the world to come to me

I've sprung, cleaned my head
Space internal - my diamond
Spend all desire in one direction
Building on the odds
to indoors
Indoors
To indoors
Indoors
