Ask me the question  
You might not get the answer you wanna hear  
You can predict my fortune  
I will go where I want to, but not for you, my dear

Chorus:  
I'm not tryin' to keep you happy  
I'm not tryin' at all  
If you think that I'm changin' for you  
Then you're wrong  
Don't you know that I'm in control  
I'm in control

In conversation  
You know I gotta big reputation  
You wanna see  
You know I'm like a bottle of wine  
A case of beer  
Everybody's breathing in each other's air  
And in my style  
I call the shots  
And that's what I'm talking about

Chorus  
Please listen to me  
I'm my own worst enemy  
And I'm sick and tired of breaking down  
In the end you'll see  
That I'm not gonna change

I'm not gonna change no  
No matter what you do  
No matter what you say  
I'm not gonna change no  
No matter what you think  
I'm gonna get my way

I'm not gonna change no  
No matter what you do  
No matter what you say  
I'm not gonna change no  
No matter what you think

I'm gonna get my way

Chorus
