I've been thinking about you
And I don't like it
I've been walking around here
Far too long

I don't want to be wrong
But I don't know
I don't want to go on and on and on

Chorus:
Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated, it's overrated

There's something about you
That pulls me under
I only see the dark clouds
I don't see the light
If the weather is fine
Like you say
Then tell me why does it feel like rain today

Chorus:
Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated
Get out of my sight
Get out of my heart
And into my arms
Though I knew all along
Why do I have to be strong
I think it's overrated, it's overrated

I want to look
But I don't want to see
I want to touch

But I don't want to feel

Chorus

Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated
Get out of my sight
Get out of my heart
And into my arms
Though I knew all along
Why do I have to be strong
I think it's overrated, it's overrated
