Yesterday I couldn't say this
Yesterday I would have said yes
I'm happy you've changed your mind
It's all about me this time

Yesterday I wouldn't let up
You got me so messed up
You were so special
I was walkin' on eggshells

Now you're just
Gum on the sole of my shoe
Flat on the back of my car
Stain on the front of my shirt
That's all you are
Rain not a cloud in the sky
A grain of sand in my eye

It's a little too late for sorry
So don't be layin' it on me
Taking it all for granted
You've taken all your chances
Don't make no difference
I've come to my senses

Now you're just
Gum on the sole of my shoe
Flat on the back of my car
Stain on the front of my shirt
That's all you are
Rain not a cloud in the sky
A grain of sand in my eye
You're like a hole in my heart
That's all you are

And you can't go back
You can't go on
You can't break down
No you're way too strong

Guess you weren't so special
Why couldn't I tell?

Now you're just
Gum on the sole of my shoe
Flat on the back of my car
Stain on the front of my shirt
That's all you are
Rain not a cloud in the sky
A grain of sand in my eye
That's all you are

Like no right turn on red
You're just no good for my head
You're like a busted guitar
That's all you are
Name on the tip of my tongue
Ashamed for what you have done
You're like a hole in my heart
That's all you are
