Let's rock all night long  
She got that look in her eyes just like she wanna take  
me home

It's automatic when I step in the club  
Cause we like aye.. come this way  
(All the pretty girls)  
,. stop and we cant get enough  
We feel like aye, get on my way  
Cause I'm a star star star  
They don't wanna know who that are are are  
Camera still flashes from afar far far  
I feel like I'm on a trip to Mars Mars Mars  
I feel like I'm famous

Check check me out, see what all the fuss is about  
I'm up in V.I.P. like a celebrity  
It get no better tonight it's whatever

The night is still young and this party jumping  
Who knows if there'll ever be another opportunity  
(opportunity)  
Will you dance with a star, oh

Cause we like aye.. come this way  
(All the pretty girls)
