Song: Free

There she stood in the street
Smiling from her head to her feet
I said "Hey, what is this"
Now baby, maybe she's in need of a kiss
I said " Hey, what's your name baby"
maybe we can see things the same
Now don't you wait or hesitate
Let's move before they raise the parking rent

All right now baby, it's all right now
All right now baby, it's all right now

I took her home to my place
Watching ev'ry move on her face
She said " Look, what's your game baby
are you tryin' to put me in shame?"
I said " slow don't go so fast,
don't you think that love can last?"
She said " Love, Lord above,
now you're tryin' to trick me in love"

All right now baby, it's all right now
all right now baby, it's all right now

That's all for now, take care and I'll
be back with more in a few days
