My heart has sunk
Lower than a ship in the open ocean
My eyes have cried
Harder than rain has ever fallen

I feel like I've died
Close to cause I'm not breathing
Chills up my spine
Keep me in line

Blades and knives
Burning fire
Throw me in
Crush my desire

If you could leave me alone
But I don't want you to go
I need you so

Oh, I'm drained from the pain
I can't think straight
My heart aches, oh

Blades and knives
Burning fire
Throw me in
Crush my desire

But I can't take it much longer
How much will I have to suffer
Before it all turns out fine

Quietly spoken
I cannot hide it
You'll take as my token
My love undivided

I know that drowning in misery hurts
But tonight you won't love me
I know that that's worse

Blades and knives
Burning fire
Throw me in

Hand in hand
Your words aren't healing
Let me go I'm done with feeling

But I can't take it much longer
How much will I have to suffer
Before it all turns out fine

But I can't take it much longer
How much will I have to suffer
Before it all turns out fine

My heart has sunk
Lower than a ship in the open ocean
My eyes have cried
Harder than rain
