For so long  
I have been attacked by your words  
And never holding back  
Now you're scared  
Of where I have been  
I was never alone

I won't ever let this go  
This is the path, the life I chose  
My livelihood resides on my back  
I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

Thought you had me  
Tied up by a string  
On the side  
Something I've been wanting  
Said you're leaving  
But to my defense  
I was never alone

I won't ever let this go  
This is the path, the life I chose  
My livelihood resides on my back  
I'll keep my legs as strong as I can

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

Say you want more  
But it's all I got  
I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You thought you had me, baby

Say you want more  
But it's all I got  
I wanna make sure  
That you know I won't stop  
You thought you had me, baby  
You never had me, baby

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no

I've been misguided by you  
I've been mistreated, too  
If you think I'm gonna take it, no
