

Audition, The "Don't Be So Hard"

Visit "[Don't Be So Hard](#)" on MotoLyrics.com

Don't be so hard on yourself.
The name of the game is humiliation
And thanks for your admiration.
I never thought I'd say this.
The way that we play
Has such confrontation
And guilt by association.

(Guilt by association...
The name of the game...
Guilt by association...)

"Hold me, hold me..."
"If I were to..."
"I can't, can't,
I swear I can't let you."
"It's all in your hands but
I'll do what I can so you
Can do what you have to."

"Hold me, hold me..."
"If I were to..."
"I can't, can't,
I swear I can't let you."
"It's all in your hands but
I'll do what I can so you
Can do what you have to."

Don't think too hard about it.
You never thought I'd get this far,
Would get this far without you.
Relax, stand back, and watch it happen.
I'll wave my goodbyes into the night
And say (say),

"Hold me, hold me..."
"If I were to..."
"I can't, can't,
I swear I can't let you."
"It's all in your hands but
I'll do what I can so you

Can do what you have to."

"Hold me, hold me..."

"If I were to..."

"I can't , can't,

I swear I can't let you."

"It's all in your hands but

I'll do what I can so you

Can do what you have to."

Say you'll never ever,

Say you'll never ever,

Say you'll never let me go.

Say you'll never ever,

Say you'll never ever,

Say you'll never tell a soul.

Say you'll never ever,

(Say you'll never let me go)

Say you'll never ever,

Say you'll never let me go.

Say you'll never ever,

(You'll never let me go)

Say you'll never ever,

Say you'll never tell a soul.

"Hold me, hold me..."

"If I were to..."

"I can't , can't,

I swear I can't let you."

"It's all in your hands but

I'll do what I can so you

Can do what you have to."

"Hold me, hold me..."

(Say you'll never...)

"If I were to..."

"I can't , can't,

(..let me go...)

I swear I can't let you."

"It's all in your hands but

I'll do what I can so you

(...you'll never let me go)

Can do what you have to."
