I see you there behind those makeup eyes  
No matter how hard you try you can disguise, No  
You were always told just to love who you are  
But if that's the point we won't get very far, No  
Cause not everything is what it seems

(Chorus)

Be more, be more than beautiful  
You're not, you're not some stupid girl  
You got something to say  
So say it now, now, now, say it now  
Be more, be more than typical  
It's not a make believe world  
You got something to say  
So say it now, now, now, say it now

I know you think you're out there all alone  
You're a crazy orphan without a home, Whoa  
You stand so tall with everything in place  
Perfumed and perfect some left no trace, No  
But were one, big, broken, messed up family

(Chorus)

Be more, be more than beautiful  
You're not, you're not some stupid girl  
You got something to say  
So say it now, now, now, say it now  
Be more, be more than typical  
It's not a make believe world  
You got something to say  
So say it now, now, now, say it now

You know who you are  
The truth you hold inside  
Don't be afraid of being real  
Love and hide

(Chorus)

Be more, be more than beautiful  
You're not, you're not some stupid girl  
You got something to say

So say it now, say it now, say it now  
Be more, be more than typical  
It's not a make believe world  
You got something to say  
So say it now, now, now, say it now

Say it now, say it now, say it now  
Say it now, say it now, say it now  
Say it now, now, now  
Say it now, now
