may god bless and keep you always  
may all your wishes come true

may you always do for others  
and let others do for you

may you build a later to the stars  
and climb on every rod  
and may you stay forever young  
may you stay forever young

may you grow up to be righteous  
may you grow up to be true  
may you always know the truth  
and see the light surrounding you

may you always be courageous  
stand up right and be strong  
and may you stay forever young  
and may you stay forever young

may your hand always be busy  
may your feet always be swift  
may you have a strong foundation  
when the winds of changes shift  
may your heart always be joyful  
may your song always be sung

and may you stay forever young  
may you stay forever young
