La la la la da da da...

Were you reeling me in, enticing me, luring me,
drawing
Me?

Did you plan it out, sussing me, circling about, you?

Well you should 'a' met a Mandy and you should 'a' met
A Cindy

And you should 'a' met anyone, last season's anyone

Now you've stolen from me 'n' you've wrenched love
from
Me

Now I can't give it out, cos I can't surrender

Why are we futility, an exercise, can you really be so
Empty?

This is flimsiness, shallowness, just how you were
Steering it, you said I'd hate you

Well you should 'a' met a Mandy and you should 'a' met
A Cindy

And you should 'a' met anyone, last season's anyone

Now you've stolen from me 'n' you've wrenched love
from
Me

Now I can't give it out, cos I can't surrender

Weren't you so lucky to get a fantasy, a very brainy
Submission?

And now you don't know that I hate you so cos you're
Not jealous, oh cos she makes you cozy

Well you should 'a' met a Mandy and you should 'a' met
A Cindy

And you should 'a' met anyone, last season's anyone

Now you've stolen from me 'n' you've wrenched love
from
Me

Now I can't give it out, cos I can't surrender
