"Too Late"

I'm not going to look for approval from you anymore,
no
No more

Cos you want me to wait, wait till it's too late for
Realizing the illusion

Do you really want me to cry? And my heart do you
want me
To die?

It will be too late to cry and still my heart won't die

It will be too late to cry and still my heart won't die

I know your belief in me is weak, it's purely fearfulness

Of the unknown

Cos you want me to wait, wait til it's too late for the
Big climbing and all alone

Do you really want me to cry? And my heart do you
want me
To die?

It will be too late to cry, and still my heart won't die

It will be too late to cry, and still my heart won't die
