Everybody put your hands in the air, and get down on the floor

Get down on the floor, get down on the floor!

Everybody put your hands in the air, and get down on the floor

Get down on the floor, get down on the floor!

Ooh, ooh

Ooh, ooh,

Ooh, Ooh

Ah

Ooh, ooh,

Ahh

They were sitting around and drinking

They were hanging out and talking

But they wouldn't move to the DJ's groove

And it got the DJ raging!

Have you got any old school hip hop?

Have you got any thrash rock bebop?

Have you got anything a little more up tempo?

Handbag? Techno? Disco? Electro?

Handbag? Techno? Disco? Electro?

You better run

'Cause the DJ's got a gun

Gonna end your fun

'Cause the DJ's got a gun

Ooh, ooh

Ooh, ooh,

Ooh, ooh,

Ooh, ooh

Ahh

Hmm...

They were standing around and posing

They were chilling out and smoking

But they wouldn't move to the DJ's groove

And it got the DJ raving!

Have you got any old school hip hop?

Have you got any thrash rock bebop?
Have you got anything a bit more up tempo?
Handbag? Techno? Disco? Electro?

You better run
'Cause the DJ's got a gun
Gonna end your fun
'Cause the DJ's got a gun

Everybody put your hands in the air and get down on
the floor
Get down on the floor, get down on the floor

Hmm.
Ah,
Hmm..

You better run
'Cause the DJ's got a gun
Gonna end your fun
'Cause the DJ's got a gun
(Ooh-ooh)
