Hey karma,
Please be fair
Don't take more than your share
Things purchased,
Don't mean much
There's one thing that you just can't touch

Hey karma,
Give it your best shot
Take everything these two hands have bought
You know,
I ain't got much to lose
But these few things
Please let me choose

CHORUS:

Her Smile
Her laugh
Her by me
Oh lifes past(?)
Her love

Oh just keep her close
Cause of all I've ever had
I love her the most
Yes I, I love her the most
Yes I, I love her the most

VERSE:

Hey karma
When something's right
Try not to lie, try not to fight
Try to do what my parents said
Try my best not to lose my head

Sure I'm gonna fall
But when I do please don't take it all
There's one thing that's precious to me
I just can't lose her

Can't you see that

CHORUS:

Her heart
Her soul
Her voice
They make me whole

Her eyes
Her face
Oh nothing in this whole wide world
Could ever take her place
Cuz I, I, I love her the most
Yes I, I, I love her the most

VERSE:

So please karma
Do be fair
Don't bring a loss that I could not bear
I'll do better
I'll work more

If I'm rich in love
I don't mind being poor

Cuz I, I, I love her the most
Yes I, I, I love her the most
Oh I love her the most
Yes I, I, I love her the most
