Where do I go... ?  
What else can I do?  
But wait it out for you...  
I wanna feel love,  
I want all that inside.  
All emptiness in life,  
Wanted to be someone.  
I've been gone and out for years,  
No one hears...  
Wanted to be adored,  
I've been long to wait, too long,  
Too long...

What'll I do without you?  
Everything good surrounds you...  
What'll I do without you?  
Everything good surrounds you...

... What'll I... ? What'll... ?

What do I know?  
Others came before,  
Won't melt me anymore.  
Where did they go... ?  
Where's all desire... ?  
Their loss, deep they hide.  
Wanted to be someone...

I've been gone and out for years.  
No one cares...  
Wanting to be adored,  
I've been long to wait, too long.  
Too long...

What'll I do without you... ?  
Everything good surrounds you.  
Can't run, I can't hide  
I'm seeing it through... oohh... well...  
What'll I do without you... ?  
Everything good surrounds you...  
Can't lie, I've tried... So what would I do... ?

Caught in your hands,  
Dragging me down.  
Pulling my life right out of me...  
Falling apart,  
I'm feeling this day,  
With all that I wanna be...  
What'll I do without you... ?

... What'll I... ? What'll... ?
