Call on your angels  
Come down to the city  
Crowd around the big tree  
All you strangers who know me  
Bring your compassion  
Your understanding  
Lord, how we need it  
On this New York City Christmas

Yeah I'm sending you a merry New York Christmas  
And a prayer for peace on earth within our time  
Hear the sidewalk angels echo halleluja  
We understand them, now more than ever

So call on your angels  
You're beaten and broken  
It's time that we mended  
So they don't fade with the season  
Let our mercy be the gifts we lay  
From Brooklyn and to Broadway  
Celebrate each and every day  
Of this New York City Christmas

Yeah I'm sending you a merry New York Christmas  
And a prayer for peace on earth within our time  
Hear the sidewalk angels echo halleluja  
We understand them, now more than ever  
Merry New York Christmas

Call on your angels  
Come down to the city  
Let's Crowd around the big tree  
All you strangers you know me  
Bring your compassion  
Bring your forgiveness  
Lord how we need it  
On this New York City Christmas

Yeah, I'm sending you a Merry New York Christmas  
And a prayer for peace on Earth  
It's not too late

Yeah the sidewalk angels echo hallelujah  
We understand them  
We understand them  
Merry Christmas  
Yes, a New York City Christmas  
(Oh Christmas)
