I am the one winged bird for flying  
Sinking quickly to the ground  
See your faith in me subsiding  
See you prime for giving in  
I give you all that I am

I am the sound of love's arriving  
Echoed softly on the sand  
Lay your head upon my shoulder  
Lay your hand within my hand  
I give you all that I am

And I breathe where you breathe  
Let me stand where you stand  
With all that I am

I am the white dove for a soldier  
Ever marching as to war  
I would give my life to save you  
I stand guarding at your door  
I give you all that I am

I am the one winged bird for flying  
Sinking quickly to the ground  
I'm a blind man for a watchdog  
I am prime for giving in  
I'll show you all that I am

And I breathe so you breathe  
Let me stand so you'll stand  
With all that I am
