Don't you wanna go for a ride  
Just keep your hands inside  
And make the most out of life  
Now don't you take it for granted

Life is like a mean machine  
It made a mess outta me  
It left me caught between  
Like an angry dream I was stranded  
I was stranded, eh eh-ed

And I'm steady but I'm starting to shake  
And I don't know how much more I can take

Well this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now you feel it break down  
Make you stay wide awake  
This is how a heart breaks

Don't you wanna go for a ride?  
Down to the other side  
Feels so good you could cry  
Now won't you do what I told you?  
I remember when you used to be shy  
Yeah, once we were so fine you and I  
Why you gotta make it so hard on me  
Yeah it's hard on me

And I'm sorry but it's not a mistake (not a mistake)  
And I'm running but you're getting away

Well this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now, you feel it break down  
Make you stay wide awake  
This is how a heart breaks, yeah

This is how a heart breaks

You're not the best thing that I knew  
Never was never cared too much for all this hanging  
around  
It's just the same thing all the time  
Never get what I want, never get too close to the end of  
the line  
You're just the same thing that I knew  
Back before the time when I was running from you

[music break]

Chorus:  
Well this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now, you feel it break down  
Make you stay wide awake  
This is how a heart breaks

Yeah this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now, you feel it break down  
Make you stay wide awake  
This is how a heart breaks (Oh oh oh oh, ah yeah, Oh oh  
oh oh)  
This is how a heart breaks (Oh oh oh oh, ah yeah, Oh oh  
oh oh)  
(This is it yeah yeah this is it, oh)  
This is how a heart breaks (Oh oh oh oh, ah yeah, Oh oh  
oh oh)  
(Can't take it, Can't take it, Can't take it, Can't take it)  
This is how a heart breaks (Can't take it no more)(oh oh  
oh oh)  
(ah yeah ah yeah ah yeah) (Oh oh oh oh, ah yeah, Oh  
oh oh oh)  
This is how a heart breaks  
(I can't take it, I can't take it, I can't take it, oh no)  
This is how a heart breaks (Ohhhh)  
This is how a heart breaks  
This is how a heart breaks
