Boy, you got me in the groove, yeah  
Boy, you got me nervous, all up in a spell  
I'm digging what you're doing, yeah as  
If you couldn't tell  
Eyes are locked together, palms are wringing wet  
After everything you said, oh yeah, yeah

(You got me) You got me going crazy  
(You got me) You got me in the groove,  
I'm so into you

You got me, you got me, you got me going crazy  
You got me, now what you gonna do

You could take me riding, just don't go to far  
You could steal a kiss, boy, when I let down my guard  
Just don't keep my waiting, don't start acting shy  
Make me yours, I'll make you mine

You got me, you got me thinkin' more than maybe  
(You got me), Going out of my mind, I can't deny

You got me, you got me, you got me going crazy  
You got me, now what you gonna do  
You got me, you got me, you got me going crazy  
You got me, now what you gonna do

My head is spinning, I'm delirious, up in the clouds  
I know you know this could be serious  
so don't let me down  
You got me, you got me

(You got me) You got me going crazy  
(You got me) You got me in the groove,  
I'm so into you

You got me, you got me, you got me going crazy  
You got me, now what you gonna do
