I wave it up and I wave it back
The feelers good and the feelers black
Samosa in the garden shed
Im crawling over someones head
Ant corridor to my heart
It never fades away, yeah
You click in down between the walls
Ant corridor to my heart
The beiger eyes and sickly calls
Ant corridor to my heart
The formic acid is the king
Ant corridor to my heart
Cause it so rules everything
Ant corridor to my heart
Click on
Click on
Click on this baby
Corrosion is a fact of life
Ant corridor to my heart
Rust will triumph over knife
Rust corridor to my heart
Knife cuts butter, groundhog pants, aha
Down the valley swarm the ants
Ant corridor to my heart
Ant corridor to my heart
Home is where the sugar is
Ant corridor to my heart
Add some honey to it, Ms
Ant corridor to my heart
All them ants dont drag their feet
Cause your heart is sugar sweet
Ant corridor to my heart
Ant corridor to my heart
Ant corridor to my heart
I wave it up and I wave it back
Ant corridor to my heart
The feelers good and the feelers black
Ant corridor to my heart
Samosa in the garden shed
Im crawling over someones head
Ant corridor to my heart
Ant corridor to my heart
