I'm in love with a Beautiful Girl,
Yes I'm in love with a beautiful girl.
Well I thought I knew all about everything,
but I'm in love with a beautiful girl.
And she's staring through a crack in the sky,
Yes she's staring through a crack in the sky.
Well I thought I knew all about everything,
but I'm in love with a beautiful girl.
Well I thought I knew all about everything,
but I was wrong.
Well I thought I knew all about everything,
I thought I knew all about everything,
but I'm in love with a beautiful girl.
Yes, I'm in love with a beautiful girl.
Oh, I thought I knew all about everything,
but I'm in love with a beautiful girl.
And she's in love with a wonderful guy,
Yes, she's in love with a wonderful guy,
Well I hope she's in love love with whom I think she's in
love,

I'm in love with a beautiful girl.
I'm a charming and dangerous guy,
Yes, I'm a charming and dangerous guy.
If you don't expect too much it's alright,
I'm in love with a beautiful girl.
Yes, I'm in love with a beautiful girl.
Well I thought I knew all about everything,
but I'm in love with a beautiful girl.
And we're going through a hole in the sky,
Yeah, we're going through a hole in the sky.
We'll be up there for the longest while,
'cos I'm in love with a beautiful girl.
Yes, I'm in love with a beautiful girl.
Well I thought I knew all about everything,
but I'm in love with a beautiful girl.
Yes, I'm in love with a beautiful girl.
Well I thought I knew all about everything,
but I'm in love with a beautiful girl.
