There's a justice in this world  
And I know just what she's called  
She's called Elaine  
There's a dead man in your heart  
And he takes up too much room  
And I know just what he's called  
He's called Steve  
There's a farmer in the clouds  
And he's sowing golden seeds  
And he's feeding on your dreams  
That's the only thing you need  
And I know just what he's called  
He's called Ray  
I'm starting to freeze  
Freeze  
Freeze  
Freeze  
I know who wrote the book of love  
It was an idiot  
It was a fool  
A slobbering fool with a speech defect and a shakin'  
hand  
And he wrote my name  
Next to yours  
But it should have been David Byrne or somebody  
DOG DIG A DOG DIG A DOG DIG A DOG  
DOG DIG A DOG DIG A DOG DIG A DOG DOG  
DOG DIG A DOG DIG A DOG DIG A DOG  
DOG DIG A DOG DIG A DOG DIG A DOG  
There's a justice in this world  
She's cruel but she's fair  
And I know just what she's called  
She's called Elaine  
She's called Elaine
