Is this love?  
Is this love?  
Is this love?  
Lost Madonna of the Wasps, I wonder where we  
crossed  
I wonder why she lost me  
Lost Madonna of the Wasps, she's dying in the frost  
I wonder what she cost me  
Is this love?  
Gone Madonna of the swans, she waves a magic wand  
And then she settles on me  
Wise Madonna of the flies, I look into her eyes  
And then she recognize me  
Is this love?  
Is this love?  
Lost Madonna of the Wasps, I wonder where we  
crossed  
I wonder where she lost me  
Lost Madonna of the Wasps, she's lying in the frost  
I wonder what she cost me  
Is this love?  
Is this love?
