People flocked like cattle to Seattle
After Kurt Cobain
And before him the rain
Hendrix played guitar just like an animal
Who's trapped inside a cage
And one day he escaped
Do you want to pay for this in cash?
Viva! Seattle Tacoma, viva viva Sea-Tac
Viva! Seattle Tacoma, viva viva Sea-Tac
Viva viva viva viva viva Sea-Tac
They've got the best computers and coffee and smack
Coming and going it has to be Boeing
The best form of defence is blow them up
In a regular cup
Have an espresso, You will? Oh I guess so
I feel my heart is gonna start to jump
'Cause it's wired to a pump
And the Space Needle points to the sky
The Space Needle's such a nice guy
But he never knows...
Viva Seattle Tacoma, viva viva Sea-Tac
Viva Seattle Tacoma, viva viva Sea-Tac
All the Norwegians, man, you should see them
Out in Ballard looking soulful at the pines
And also the Swedes
All of the groovers came from Vancouver
And some of them came up from Oregon
In case you don't know
But the Space Needle points to the sky
The Space Needle's such a nice guy
But you never know...
Viva Seattle Tacoma, viva viva Sea-Tac
Viva Seattle Tacoma, viva viva Sea-Tac
Viva viva viva viva viva Sea-Tac
They've got the best computers and coffee and smack
Viva Seattle Tacoma, viva viva Sea-Tac
Viva Seattle Tacoma, viva viva Sea-Tac
Viva Seattle Tacoma, viva viva Sea-Tac
Viva Seattle Tacoma, viva viva Sea-Tac
Long live everything in Washington State
Including everybody
May they live to a million years

May they reproduce until there's no room to go
anywhere
Clustered under the Space Needle
Like walking eggs with arms and legs
Alright, we can probably stop
