Oh mahiya oh mahiya  
Feel the fire, my desire, take me higher soniye  
You're my pleasure, only treasure, you forever soniye

Aaja mahi dhoonde yeh akhiyaan,  
tak tak raavaan haaye main thakiyaan  
jogan banke pal pal main tarsoon

mil jaao tum, mil jaaye duniya  
ohhhhh tu hi deewaangi, tu hi awaargi  
rabba mere, tu hi meri zindagi,  
tauba tauba ishq main kariyaan

Maula mera dil na toote, maula mere pyar na roothe  
Maula meri preet na choote, ishq mera fariyaad lagaaye  
Maula mujhe kuch na suhaaye, maula sudh budh ud jaaye,  
Maula hoton pe duaayein, ishq mera fariyaad lagaaye  
Ohhhhh, rooh ki taazgi, husn ki saadgi

Allah yeh barse akhiyaan, allah roshan kar duniya  
Allah daaman mein ho khushiyaan, haaye vaari mein tujhpe jaaon  
Hai allah mera deewaanapan, allah ho gayi bairaagan  
Allah mil jaaye raanjan, tere dar se khaali na jaaon
