[00:12]You know I used to call my baby up  
[00:17]And we'd get real close  
[00:21]Just like the telephone was a sofa  
[00:25]And our thoughts would mingle  
[00:28]And we'd leave our minds wide open  
[00:33]Like a big window in the evening air  
[00:38]And we'd say  
[00:39]"Hey baby, come on in and help yourself to my soul"  
[00:50]"Hey baby, come on in and help yourself to my soul"  
[01:01]But these days, even saying, "hello? How are you?"  
[01:05]"I'm fine. How are you?" takes a lot of sweat  
[01:10]  
[01:15]Ain't that a shame  
[01:20]Ain't that a shame  
[01:26]But in Linctus House  
[01:32]In my flesh hotel  
[01:38]I don't care anymore  
[01:43]  
[01:45]You know my baby and me  
[01:47]As Kimberley would say  
[01:49]We'd curl up like two dogs  
[01:51]In front of a fire  
[01:55]And our eyes would reflect each other  
[01:58]In the warm long heat of love  
[02:02]Yeah, the warm long heat of love  
[02:07]And I would hear the rain falling  
[02:09]On the leaves outside  
[02:13]I could'nt stand too close the window  
[02:16]'Cause I'd shiver if I left her side  
[02:23]But now I'd shake if we should meet  
[02:31]And I spend most of my time in the bushes  
[02:34]  
[02:36]Ain't that a shame  
[02:39]Know what you're doing  
[02:41]Ain't that a shame  
[02:44]Know what you've done  
[02:48]But in Linctus House  
[02:53]In my flesh hotel

[02:59]I don't care anymore  
[03:05]  
[03:15]"I understand how everything sometimes  
[03:17]Turns out to be nothing," You say  
[03:23]But I wonder if you do  
[03:31]And if we understood each other  
[03:34]There'd be no need to talk  
[03:39]But even that, even talking is out of reach  
[03:44]Should I say it with flowers or  
[03:46]Should I say it with nails?  
[03:52]I'm not the kind to push you around  
[03:56]But I don't want to make myself vulnerable  
[04:03]And if I was on my knees  
[04:05]You'd have a pretty good view of my skull  
[04:09]And I happen to know you're carrying a chisel  
[04:12]  
[04:13]But in Linctus House  
[04:18]In my flesh hotel  
[04:24]I don't care anymore  
[04:29]No  
[04:31]In Linctus House  
[04:35]In my flesh hotel  
[04:40]I don't care  
[04:46]  
[04:58][04:47]Ain't that a shame  
[05:01][04:50]Know what you're doing  
[05:04][04:52]Ain't that a shame  
[05:07][04:56]Know what you've done
