If you go away
If you go away
Would you ever return to me?

If you go away
If you go away
Would you ever return to me?

I don't believe in anything
But you
I don't believe in anything
Out there
I don't believe in anything
At all

It's corporation time
Time and the whole world
Is goin' up in smoke tonight

If you go away
If you go away
Would you ever return to me?

I don't believe in anything
But you
I don't believe in anything
Out there
I don't believe in anything
At all

It's corporation time
Time and the whole world
Is goin' up in smoke tonight

Time, time, time
