I'm just walking with a ghost  
And it's walking by my side  
My soul is dancing [on my cheek]  
I don't know where the exit is

Every day is still the same  
And I don't know what to do; I'm carrying  
My tears in a plastic bag  
And it's the only thing I got from you

I have short hair  
And I'm faced with a few complications so,  
So if you care  
Try to [emulize] the situation  
You know, man  
As the leaves fall on the ground my soul is goin'  
Round and round and round, so please

Do it well  
Just break the spell  
Why don't you do it right  
I don't want another fight  
I'm not creatin'  
My flow with my ego  
I'm taking off my hood  
And I'm venturing deeply in the wood  
You know, man

[Bets] are my only food and it puts me in [a strange mood]  
I ain't giving you my heart on a silver plate  
Why couldn't we be just mates  
Oh no, never come back to me  
Oh no, never come back to me

[A wish, our company is shy, probably]  
Another dance, another chance, another romance

[We could have twenty fights]

[A wish, our company is shy, probably]

Another dance, another chance, another romance
