The heat is coming over me  
You are all that I can see  
I sink into those deep blue eyes  
All I need is that you are mine

On this hazy afternoon I catch myself  
Dreaming about breaking into you like a thief

I will follow you  
To the dark side of the moon  
Where I will be loving you  
Until the end of time  
You are mine

The clock is ticking closer to the night  
My blood is burning like a bonfire  
Don't deny the thing that you can't hide  
All you want is to be mine

Take me with you to the road of suspenseful sin  
All of my life I've been waiting for you to let me in

I will follow you  
To the dark side of the moon  
Where I will be loving you  
Until the end of time  
You are mine
