"Cali, Cali" - Notorious B.I.G. [Intro - scratched by Statik Selektah] "Cali, Cali" {\*4X\*} [Kali] Aiiyyo one's for the money, two's for the hoes From the two-one-ohs to the seven-one-fo's I, come from the place where the kush gets grown So, every single day I, stay gettin blown And, I'm more ahead of them, somethin like a veteran I catch 'em in they spot, "Late Night" like Letterman I'm so sick and I don't think there is no medicine I'm better than, all of the whack rappers you creditin So STOP~! Please don't approach me with dumb talk My brain can't breathe, I let off like a gun spark I love where I'm from, I love where I'm at I'm so killer California I am off of the map and If they knock that it's, off with they hat Like a 747 that reach heaven and back but I won't slow down, nah not now So switch up your frown and smile when I'm around [Chorus] When they see me in the club, all the ladies give me love They run up and give me hugs because I'm "Cali, Cali" When I'm on the East coast, in my big fur coat Somehow I still think about "Cali, Cali" Shit, what can I say about the place where I stay? It doesn't rain one day in "Cali, Cali" I got my six-four raised and my Eazy-E shades It's just another day in "Cali, Cali" [Kali] Turn your ears up! I'm spittin but never written Statik told me Kali you're up like Great Britain My flow's off the meat rack, hot like a heat pack My swag's like turbulence, it'll knock your seat back 1985 I was comin out the hive Straight buzzin like a bee 'bout to sting you in the eye See there's somethin 'bout me, that makes me different than you And that's the fact that I'm determined, I know what I wanna do So I'm dangerous, anything I'm on turns stainless Stuntin like we're famous, but how could you blame us? You walkin like a tourist, I'm walkin like I made it Hold up! Somebody tell 'em what my name is "Cali, Cali" I'm a one man army Spittin like I gave it sin, y'all minotaury My flows automatic, I'm a monster I'm a savage We +Mobb Deep+, me and Stat's like Prodigy and Havoc [Chorus] [Outro - scratched by Statik Selektah] "Cali, Cali" {\*4X\*}
