Let's go!

Ooh...

Ooh...

Magical Love, Magical Kiss!

You've shined a light

On my whole world my friend

Love is in the Air

Beauty's everywhere

The Magic of your love lasts forever

(Sweet sweet love magic)

Magical Love, Magical Kiss!

You've opened up my heart to love again (ooh)

Never ever go away

Promise you will stay

And feel my life

With your sweet song

C'mon!

(Sweet sweet love magic)

Yeah, yeah, yeah, yeah, yeah, yeah

(Sweet sweet love magic)

Never to see you go

(Sweet sweet love magic)

You give me more

(Sweet sweet love magic)

Yeah, yeah, yeah, yeah, yeah, yeah

My skies they used to be gray

And I

Never could see the sun above me

Until you appeared

And you brought your joy, peace and happiness

Like a princess (go)

Revived again (go)

Because of your sacred kiss (yeah)

Hope was gone (go)

You came along (go)

And cast your spell

Cast your spell

Magical Love, Magical Kiss!
You've shined a light
On my whole world my friend (yeah)
Love is in the Air
Beauty's everywhere
The Magic of your love lasts forever

Magical Love, Magical Kiss!
You've opened up my heart to love again (ooh)
Never ever go away
Promise you will stay
And feel my life
With your sweet song
