Song: Goldfinger

Once there was this girl I knew  
She had all she could want  
But her unhappiness  
Preceded what she bought  
She said, "Everyone around here  
Is wasting my time"  
All of her possessions  
Couldn't make her feel fine  
She wants everyone to sit around  
And talk about her life  
Don't ask her how she feels  
'Cos that would be a lie

Chorus:

Don't tell me 'cos you know  
I know it hurts  
Don't tell me 'cos you know  
It's gotten worse  
Don't tell me 'cos you think  
I don't know shit about the way you feel  
Tell me 'cos  
I don't want you to hurt

She sat around like a vintage queen  
To complain about the world  
She says how she's much better than you  
She's a special girl  
She said, "Everyone around here  
Is wasting my time"  
All of her boyfriends  
Couldn't make her feel fine

Chorus

She said, "Everyone around here  
Is wasting my time"  
All of her boyfriends  
Couldn't make her feel fine Chorus Chorus Chorus
