Gripping the wheel
His knuckles went white with desire
The wheels of his Mustang
Exploding on the highway like a slug from a 45

True death
400 horsepower of maximum performance
Piercing the night
This is Black Sunshine

Yeah, move me in the silent Baltic motorway
Hang me on the edge before I fall away
Apocalypse is dawnin', actions on the mile
A can do revolution, Earth to the river Nile

Sweet'n the ride, Black Sunshine
Sweet'n the ride, yeah
Sweet'n the ride, Black Sunshine
Sweet'n the ride, yeah

Cry a river 'Cosmic' moon in Scorpio
Feel her body breathe, acid radio
Tell me that you like it when I'm going down
Tell me that you like it, move to the speed of sound

Sweet'n the ride, Black Sunshine
Sweet'n the ride, yeah
Sweet'n the ride, Black Sunshine
Sweet'n the ride, yeah

Slide into, I said, "44", cool heart can a hypnotize
Dream into infinity, I turned the love to lies
Crawl across the water wave and sink into the sea
Reflectin' onto everything that you can never be, check-out

Yeah, to the devil a daughter
Comes 2000 and a worlds away
Yeah, born to lose the love you choose
Destroy another day, check out

Sweet'n the ride, Black Sunshine

Sweet'n the ride, yeah
Sweet'n the ride, Black Sunshine
Sweet'n the ride, yeah

Stare into the TV, kiss off the pain
Wonderland is falling, no sing, no rain
Momentary damage into the high
Drift me to the circuit sky

Finally nothing moves
High noon blacktop
Rollin' below the asphalt drive
A concrete fascination
Scraping the edge of nothing
This is Black Sunshine
